

Information sheet

Proficiency Tests Plastics 2015

Organiser:	Institut für Eignungsprüfung IfEP GmbH, Marl, Germany
Registration:	By means of the attached form
Intention:	Confirmation of technical competence of participating laboratories
Data evaluation:	Based on EN ISO/IEC 17043 and ISO 13528
Confidentiality:	Each laboratory receives a specific code number
Documentation:	Confirmation of participation Certificate in case of satisfactory participation Final report with a list of participants in alphabetical order with declaration of consent; determination of measurement uncertainty according to the current standards and guidelines. Details for subcontracting of single parts: please see www.ifep.de , section „proficiency tests“

No. 1550 Tensile test of plastics incl. tensile modulus	Test Standard:	ISO 527 part 1
	Material:	Plastic specimens
	Specimen production:	By the organiser
	Results to be submitted:	According to the test standard; stretch forming value - breakage value, tensile modulus
	Assigned value:	Outlier adjusted consensus values; calculated from the results of the participants
	Participation fee:	Germany 255 €; other countries: + delivery costs* estimated start calendar week 30/2015

No. 1551 Flexural properties of plastics	Test Standard:	ISO 178
	Material:	Plastic specimens
	Specimen production:	By the organiser
	Results to be submitted:	According to the test standard; flexural stress, tensile modulus
	Assigned value:	Outlier adjusted consensus values; calculated from the results of the participants
	Participation fee:	Germany 225 €; other countries: + delivery costs* estimated start calendar week 25/2015

No. 1552 FT-Infrared spectro-scropy	Test Standard:	In house procedure; identification check
	Material:	Different moulding materials
	Specimen production:	By the organiser
	Results to be submitted:	Type of plastic
	Assigned value:	True value
	Participation fee:	Germany 225 €; other countries: + delivery costs* estimated start calendar week 20/2015

No. 1553 Differential scanning calorimetry	Test Standard:	ISO 11357-2
	Material:	Different moulding materials
	Specimen production:	By the organiser
	Results to be submitted:	Glass transition temperature
	Assigned value:	Outlier adjusted consensus values; calculated from the results of the participants
	Participation fee:	Germany 225 €; other countries: + delivery costs* estimated start calendar week 35/2015

* Prices excl. valid VAT, delivery costs, see www.ifep.eu

Registration proficiency tests plastics 2015

via fax to: +49 (0) 2365 / 209 00 35 or via e-mail to: Sorge@ifep.de

We will participate in the following proficiency test(s):

No.	please mark	Proficiency test	Expected Start (calendar week 2015)	Return of the results	Participation fee	A bilateral registration for the proficiency tests after the official start date is still possible!
1550	<input type="checkbox"/>	Tensile test of plastics incl. tensile modulus	30	4 weeks	255 € *	
1551	<input type="checkbox"/>	Flexural properties of plastics	25	4 weeks	225 € *	
1552	<input type="checkbox"/>	FT-Infrared spectroscopy	20	4 weeks	225 € *	
1553	<input type="checkbox"/>	Differential scanning calorimetry: glass transition temperature	35	4 weeks	225 € *	

* Prices for Germany excl. VAT, other countries: Delivery and duty costs will be added to participation fee, see www.ifep.eu

The costs have to be paid to Institut für Eignungsprüfung IfEP in advance. **Specimens will be sent to the participants upon payment by the participant.** The organiser will charge 25 % of the fee if the registration is cancelled four weeks prior to the start of the proficiency test. For cancellations later than this, the full amount will be charged.
