## Annex to the Partial Accreditation Certificate D-EP-11183-01-02 according to DIN EN ISO/IEC 17043:2023

**Valid from:** 06.06.2025

**Date of issue:** 06.06.2025

This annex is a part of the accreditation certificate D-EP-11183-01-00.

Holder of partial accreditation certificate:

**IfEP GmbH Institut für Eignungsprüfung  
Daimlerstraße 8, 45770 Marl**

with the location

**IfEP GmbH Institut für Eignungsprüfung  
Daimlerstraße 8, 45770 Marl**

The proficiency testing provider meets the requirements of DIN EN ISO/IEC 17043:2023 to carry out the conformity assessment activities listed in this annex. The proficiency testing provider meets additional legal and normative requirements, if applicable, including those in relevant sectoral schemes, provided that these are explicitly confirmed below.

The management system requirements of DIN EN ISO/IEC 17043 are written in the language relevant to the operations of proficiency testing providers and they conform to the principles of DIN EN ISO 9001.

*This certificate annex is only valid together with the written accreditation certificate and reflects the status as indicated by the date of issue. The current status of any given scope of accreditation can be found in the directory of accredited bodies maintained by Deutsche Akkreditierungsstelle GmbH at <https://www.dakks.de>.*

**Annex to the Partial Accreditation Certificate D-EP-11183-01-02**

Proficiency testing in the field of:

**Size, form and position testing on components with tactile and optical coordinate measuring machines**

**Roughness testing of objects**

**For the cells marked with \*, the proficiency test provider is permitted to include proficiency tests within the specified proficiency test objects and measurands/parameters in the scope of accreditation without being required to inform and obtain prior approval from DAkkS.**

**The proficiency test provider maintains a current list of proficiency tests in the accredited scope.**

**Proficiency tests for testing laboratories in the fields:**

| Testing field                      | Proficiency Test Item*                                    | Measurand/<br>test parameter*                        | Name of the Proficiency Testing-Programme                                                     |
|------------------------------------|-----------------------------------------------------------|------------------------------------------------------|-----------------------------------------------------------------------------------------------|
| Dimensional measurement techniques | Construction parts, components, test specimen<br>Gauges * | Geometric characteristics*<br>(size, form, position) | Koordinatenmesstechnik<br>taktil und optisch<br>(Coordinate measuring<br>tactile and optical) |
|                                    |                                                           | Surface characteristics*<br>roughness                | Längenmessung<br>(Length measurements)                                                        |
|                                    |                                                           |                                                      | Rauheitsmessung<br>(roughness measurement)                                                    |

**Abbreviations used:**

|     |                                                                            |
